

COMMUNITY WINS

North Square pedestrian/bike trail

This trail will connect Virginia Avenue with Calvary Street for walkers, bikers and wheelchair users, and will be completed in an environmentally sensitive manner.

COMMUNITY WINS

IPS 39 Kaboom! Playground--built in a day

Mayor Ballard was able to add a helping hand to the cause. This was part of the Lilly Day of Service may 20th

COMMUNITY WINS

***Southeast
Community
Services/Aramark
volunteer Day
August 12th***

More than 150 volunteers worked with SECS staff to complete a wide variety of projects at the SECS Center

COMMUNITY WINS

Carnine Little League Opening Day

Carnine Little League kicked off their 54th season this year at Rhodius Park.

Mayor Ballard stopped by to throw out the first pitch...and sign an autograph or two.

COMMUNITY WINS

Grandville Co-op

This part of the community held its 39th Annual “Community Day” on August 8th.

COMMUNITY WINS

Rebuilding Together 2009

Bates-Hendricks was the site for some great housing renovations in April.

COMMUNITY WINS

Norwood—Extreme Dream makeover

This annual event sponsored by the Greater Indianapolis Hotel & Lodging Association (GIHLA) rehabs a bedroom for a physically challenged child, and also makes other repairs to that family's home.

COMMUNITY WINS

West Indianapolis Neighborhood Congress Community Day

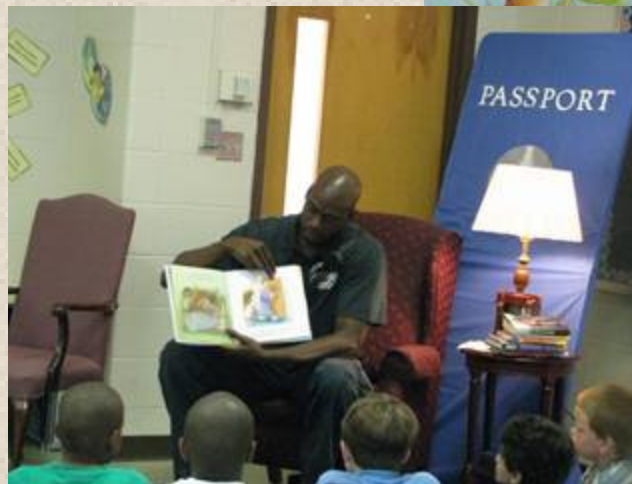

In June the WINC neighborhood held their Annual Community Day to bring neighbors from the entire area to join in a day of fun with music, informational booths and lots of food!

COMMUNITY WINS

Indianapolis Lighthouse Charter School Family Literacy Nights

The organizers of these family literacy nights bring in many different role models to read to the kids... everyone loves it!

HIGH WEEDS & GRASS

	2008	2009 (YTD)
HWG Complaints	5,431	10,288
Properties mowed	1,807	8,474
Call-to-cut time (days)	42	23.3

Mayor Ballard's Six Sigma / Chuckhole Response Improvement

	2008	2009 (YTD)
Chuckhole Complaints	16,871	11,710
Response time (days)	19	3

This decrease in response time not only improves the drivability of the streets, but it also allows DPW crews to focus on other ways to extend pavement life, such as crack-sealing, and other core duties, such as guardrail and concrete work.
